| Legal personality          | None   | None  | Yes act 69 of 1984                                  | Yes act 24 of 2009                       | Yes act 71 0f 2008   | Yes act 71 of 2008   |
| Continuity                 | Limited  | Limited   | Unlimited   | Limited                                  | Unlimited  | Unlimited  |
| Division of profit         | Owner receive all profit   | Partners as per agreement   | Dividends according to partners                     | Dividends according to shareholders      | Dividends according to shareholders                                | Dividends according to shareholders                                |
| Tax                        | Personal income tax  | Personal income tax   | Company<br>tax rate                                 | Company<br>tax rate                      | Company tax rate   | Company tax rate   |
| Financial statement        | Not<br>necessary<br>to publish<br>and audit                      | Not<br>necessary<br>to publish<br>and audit                             | Necessary<br>to publish<br>and audit                | Necessary<br>to publish<br>and audit     | Necessary to publish and audit                                     | Necessary to publish and audit                                     |

# ADVANTAGES AND DISADVANTAGES OF FORMS OF OWNERSHIP

| Form of ownership    | Advantages  | Disadvantages  |
|----------------------|---|--|
| Sole trader          | <ul> <li>Owner takes all the profit</li> <li>Owner makes all decisions</li> <li>Owner has full control over the business</li> <li>Depends on skills of owner</li> <li>It is easy to start</li> </ul>                | <ul> <li>If the owner dies, business ends. i.e. the lifespan of the business is limited</li> <li>Cash flow is often a problem</li> <li>Owner has to pay all debt</li> <li>The business is not a legal entity</li> </ul>      |
| Partnership          | <ul> <li>More profit will be generated</li> <li>Better decisions can be made</li> <li>Partners invest new capital into the business</li> <li>New ideas can be generated</li> <li>It is easy to register</li> </ul>  | <ul> <li>Partners may disagree and cause conflict</li> <li>Partnership may terminate on the death of partner</li> <li>Transfer of ownership can be difficult</li> <li>Discussions can slow decision making</li> </ul>        |
| Close<br>corporation | <ul> <li>Each member contribute equally</li> <li>Each member represent cc</li> <li>There are no directors but members</li> <li>It is easy to register</li> </ul>  | <ul> <li>Membership is limited to 10 members</li> <li>Members pay debts and taxes</li> <li>If a member want to sell his/ her shares all members must agree</li> <li>It is not controlled by legislation</li> </ul>           |
| Co-<br>operatives    | <ul> <li>Inexpensive to register</li> <li>Members have equal voting rights</li> <li>Members can join and leave the business without causing dissolution</li> <li>Government offer grants to cooperatives</li> </ul> | <ul> <li>Lack of membership and participation</li> <li>Does not involve long and complicated legal formalities</li> <li>Lack of profit motive</li> <li>Has to submit its annual reports and accounts to registrar</li> </ul> |
| Private company      | <ul> <li>Company has unlimited number of shareholders</li> <li>Money is available for the business</li> <li>More ideas can be generated</li> <li>More opportunities to pay tax</li> </ul>                           | <ul> <li>It is expensive to establish</li> <li>It is difficult to register</li> <li>The company is subjected to double taxation</li> <li>Shares cannot be sold to public</li> </ul>  |
| Public<br>company    | <ul> <li>Share are freely transferable</li> <li>Capital is raised by selling<br/>shares</li> <li>It is easier to attract capital<br/>investment</li> </ul>  | <ul> <li>It is complicated and expensive to register</li> <li>It requires expensive procedures</li> <li>It is subjected to double taxation</li> </ul>  |

## THE PICTURE BELOW DEPICTS THE ADVANTAGES OF OWNING A BUSINESS

## ADVANTAGES OF BEING ENTREPRENEUR

- To be your own boss
- To make profit
- To make his/ her own decisions
- Work at your time
- Make all the decisions
- Having more customers

## DISADVANTAGES OF BEING ENTREPRENEUR

- Business may fail
- Unpredictability of the income
- Financial risk
- Pressure to succeed
- Spending all your time in your business

# ROLES OF AN ENTREPRENEUR IN THE SOCIAL DEVELOPMENT TO DEVELOP COMMUNITY

- **Job creation** by creating job opportunities to the community to assist in the business.
- **Empowerment** by transferring skills to members of the community through skills development programmes.
- **Wealth creation** by circulating money within the community, this allows the business to benefit.
- **Negation of migrant labour** —to employ local people therefore the number of people leaving the community find jobs in towns and cities is reduced.
- **Urbanization** to improve the area where the business is located into the urban area e.g. infrastructure, roads, electricity and water supply.

# ENABLING PROGRAMMES TO ASSIST AND DEVELOP ENTREPRENEURS TO GROW THEIR BUSINESSES.

- 1. NYDA- National Youth Development Agency
- To subsidies young entrepreneurs between 18 to 35 years of age.
- To create and promote coordination in youth development matters.
